

Happy Amy

I am Amy Greene Melvin. My purpose is to inspire and motivate you... and me.

Have you ever felt alone? Have you ever felt like you don't fit? Can't seem to break away from your past? If this sounds familiar, I get it. I've been there. And the honest answer is - you may be lacking self-worth. I've found it's the one thing necessary before you can make any type of change in your life. *You must feel worth it.*

Building your self-worth is what Happy Amy is all about. At happyamy.net, there are free blogs about life, coaching sessions, and my book: Full Speed In Reverse ~ Awakening Self-Worth, Happiness, and Purpose. I am here to help you find everything you need to build self-worth, self-love, find purpose, and be happy. If you've ever felt unloved, unimportant, unworthy, unusual, or unwanted - Happy Amy will change that! The only "un" you will ever feel again is...
